Old Matts, Here's Your Chance. Women are scarce in Corsicana, Tex., said a recent visitor to the Lone Star State. "Any old maid who wants a husband has only to go to Corsicana, and before she has only to go to Corsicana, and before she has been in town two hours the will receive figure and the will receive figure and the will receive figure and the work of the will receive figure and the wear pistols strapped on the hips. The sembrero flourishes in all colors and degrees of costliness, and they think no more of \$100 than we do of \$1. Why, I dropped in at one of their gambling houses and study looking at an early some. They and stood looking at an contz game. They were shooting for \$100 a throw, and whether they won or lost they took a grink and laughed good-humoredly. The gamekeeper had on a sombreao, and looked tougher than a chuck steak. No fights occurred while I was there, but they are not infrequent, I am

A New Hair Dye.

Silver salts have so long held the field as a hair dye that some interest attaches to the German proposal to use paraphenyldiamine for the same purpose. The invention is protected by patent, and the details as revealed by specifications are somewhat wanting in clearness. From this it appears that the bair is first well brushed with a solution of twenty grammes paraphenyldiamine and fourteen grammes caustic soda in a liter of water, and then washed with a 3 per cent solution of hydrogen peroxide. In the course of a day the hair becomes very dark and, by repeating the application, of a blue-black color, but if "a three per cent. Iron oxide solution" is added to the hydrogen peroxide the color produced is brown,

Do You Want to he Plump? If you are thin and want to put on flesh, for breakfast and supper have a mething nour-ising and savory, plain brown bread for in-stance, the silees browned in fresh butter on a griddle, which makes an appetizer of the style. The design was embroidered in dell. good old dainty. Demand good, lean baked potatoes to be eaten with undeniable cream or rich gravy, which is fiesh-forming food, and you may induice to made dishes as you

please, provided they are well made. All thin people wishing to grow plump should begin with simple, easily digested fare, almost as if they were invalids. Fresh raw eeps, beaten with port wine or therry. or with orange juice, or two or three drop of oll of cinnamon in a teaspoonful of brandy are very nourishing, and give strength to the digestion, so that stronger food can be attacked. If care is taken to select very digestible food, it is true that the more one eats the more he can cat, and the system may

thus be led into vigor and flesh. Cover Horsehair with Cretonne. An old horsehair sofa that had seen its best has not a much better prospect of long life cord around the edge. The bed itself was sawing off the back and converting the seat
